

Save over \$20,000 on the purchase of a new Stratasys J55 3D printer!

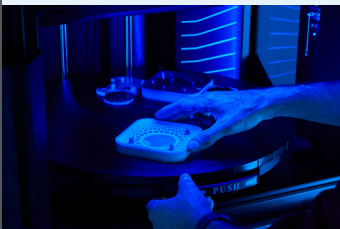

Graduate to the new standard of design and ultra-realistic simulation with the Stratasys® J55™.

Exclusive Education Bundle for \$99,000 includes:

- J55 system
- Installation and training
- One additional year of service coverage (Emerald Care)
- ProAero Air Extractor (filter)
- Scale and scanner kit
- Material starter kit (7 base materials with 1 support)
- Waterjet (post processing station)*

Available for a limited time.**

Unique and cutting edge rotational technology

- Very limited head movement and constant speed while printing promotes exceptional quality, realism and a full, end-to-end design solution.

Great resolution and outstanding surface finish

- Create endless combinations of color - Pantone® validated.
- Produce surfaces from matte to glossy to glass-like transparency and mimic textures such as leather, wood, stone, etc.

Office friendly

- Nontoxic and truly low noise levels (less than 53dB) allow the J55 to exist unobtrusively at a designer's elbow.
- Save space in the office with a compact system that has a small footprint.

Easy to use

- Calibration is fully automatic and the entire maintenance process is as simple as pushing a button.
- The advanced touch panel features an intuitive interface, the UV LED is designed to last the lifetime of the printer and improved material cartridges are efficiently used, replaced and stored.
- Innovate faster with a streamlined workflow in GrabCAD Print™ and 3MF file format compatibility to make your work in software like KeyShot® or SOLIDWORKS as simple as "point and click."

Material package	Hot-swap capable, internal material bay 12 1.1 kg cartridges (5 materials jetted simultaneously)
Build area	1,174 cm ²
Build mode	High Quality Speed (HQS) – 18.75 µm
System size and weight	651 x 661 x 1,511 mm (25.6 x 26 x 60 in) 225 kg (503 lbs)

* Offer is available without the waterjet for \$95,800.

** Not to be combined with any other offer. No substitutions. No additional discounts allowed on this promotion. PO must be received on or before August 31, 2020.
