

Electrical Engineering Lab Equipment List

Instrumentation

Festo Virtual Instrument Package
Festo Dual Function Generator
Festo Dual Trace Oscilloscope
Festo Laboratory Instruments

Power Stations

Festo Power Stations

Electrical and Electronic Circuits

Quanser NI ELVIS II+ Top Boards
Festo FACET® Electronic Training Systems

Electric Power Technology

Festo Electromechanical Training System
Festo Power Electronics Training System
Festo Smart Grid Technologies Training System

Digital Communications

Festo Communications Technologies Training Systems
Festo Antenna Training and Measuring System
Festo Computer-Assisted Microwave Technology Training System
Festo Satellite Communications Training System
Festo Radar Training System
